**Re: United States v. Baez and Baez, 21 Crim. 637 (VEC)**

Dear Judge Caproni:

The Government writes on behalf of all parties to jointly request an adjournment of the motion *in limine*, request to charge, and *voir dire* deadlines, which are currently set for April 22, 2022. Dkt. 39.

A change of plea hearing for defendant Misael Baez is scheduled for April 28, 2022. Dkt. 40. By email last night to chambers, the Government transmitted a fully executed plea agreement for defendant Bolivar Baez and asked that a change of plea proceeding be scheduled for him as well. Because all defendants in this case will plead guilty, the parties request that the pretrial deadlines be adjourned until a date after the scheduled pleas, with the assumption that those filings will then become unnecessary.

Respectfully Submitted,

DAMIAN WILLIAMS  
United States Attorney

Application GRANTED. All pretrial deadlines are hereby adjourned *sine die*.

SO ORDERED.
